Blue Daze (Evolvulus)

Evolvulus glomeratus

Blue Daze Evolvulus – A heat-tolerant, mounding and trailing plant featuring true blue flowers over attractive gray-green foliage. Excellent for Florida landscapes, groundcovers, borders, containers, and hanging baskets. Height: 12–14" | Spread: 18–20" | Spacing: 16–18" | Exposure: Partial Sun.

Bush Daisy

(Euryops)

Euryops pectinatus

Bush Daisy (Euryops) – A vigorous, sun-loving plant with bright yellow, daisy-like flowers above attractive green foliage. Excellent for landscapes, borders and containers with good heat and drought tolerance. Grows 14–18" tall and 18–24" wide. Full sun.

Cuphea Floriglory Series

Cuphea hyssopifolia

FloriGlory® Cuphea – A compact, free-flowering Mexican Heather producing masses of small, colorful blooms over fine green foliage. Excellent heat and humidity tolerance makes it well suited for Florida landscapes, borders, mass plantings, and containers. Height: 10–16" | Spread: 15–24" | Exposure: Full Sun to Partial Sun.

Duranta "Gold Mound"

Duranta erecta

Gold Mound Duranta – A compact, mounding shrub prized for its brilliant golden-yellow to chartreuse foliage, providing year-round color in warm climates. Excellent for landscape beds, borders, mass plantings, and containers. Best color develops in full sun, though it tolerates light shade. Height: 2–3' | Spread: 2–3' | Exposure: Full Sun to Light Shade.

Dusty Miller

Silverdust

Senecio cineraria

Finely cut, silvery-white, velvety foliage on compact, uniform plants. Excellent for adding contrast and texture to beds, borders and containers. Grows 6–10" tall and approximately 10" wide.

Gazania Daisy "Big Kiss Series"

Gazania rigens

Gazania Big Kiss™ Series – A vigorous, heat-loving Gazania featuring large, brightly colored daisy-like flowers held above attractive green foliage. Excellent for Florida landscapes, containers, and mass plantings. Performs best in full sun with well-drained soil and offers excellent heat and drought tolerance. Height: 8–12" | Spread: 10–14"
